The Council for Tobacco Research — U.S.A., Inc.
900 Third Avenue
New York City, NY 10022

Dear Sir or Madam,

I am writing to ask whether you could send me information about opportunities for obtaining research funding through the Council's programs. In addition to a full application form, I would be interested in information about the Council's mutidisciplinary program areas, limits on the amount of funding that may be requested, *etc.* I look forward to receiving your materials.

Sincerely yours,

David M. Engman, M.D., Ph.D.
